SPARE COPIES.....

I have the honour to state that the Working Committee of the Mysore Congress, the Constructive Sub-Committee and the Assembly Party Members Committee are almost being held side by side or together at the Congress Office from yesterday. Messrs. K.T.Bashyam, H. Siddiah (President), K.Chengalaraya Reddy, H.C.Dasappa, S.Nijalingappa, K.Pattabhiraman, K.Sampangiramiah, K.R. Madhava Rao, N.C.Thimma Reddy, Tagadur Ramachandra Rao, B.N.Boranna Gowda, M.Mariappa, S. Chenniah, G.Ramgaramia M.N.Jois (Whip, Congress Assembly Party), K.Hanumanthiah T.Subrahmanyam and others ~~were~~ are reported to have been - present.

3

The working Committee which met yesterday at the outset passed condolence resolution on the demise of Mr.B.Krishna Murthy, at Mysore and then passed the previous monthe accounts &c. It appears that All India Harijan Sevakh Sangha had written a letter to the State Congress "to bring about an atmosphere of Temple Entry in the State among the people". In this connection - Mr.T.Subrahmanyam has been placed in-charge for the work in Mysore State.

Mr.H.K.Veeranna Gowda had submitted an interim report about the alleged sorrowful state of people living in certain parts of Irwin Canal area and the Working Committee have decided to issue a statement in this behalf shortly.

Taking the Labour problem for discussion the pros and cons of the Labour Legislation and the attitude, the committee should take, was discussed. It was resolved to leave the matter into the hands of Mr.K.T.Bashyam. In this connection the Congress Assembly Party have already decided to bring in certain amendments to Labour Bill when it comes up before the Legislature.

It appears there was a general complaint by some of the members that their organisation is becoming deteriorated and that they should take up some active measures in future. On this point discussions are still going on.

As regards the decision of the High Court in respect of Election petitions, was discussed and there was some suggestions that in case the adjournment motion is thrown out at the Assembly the Working Committee should call for a protest Day throughout the State. No defenit decision has been arrived at on this point.

The Leader and Secretary of the Council Party (Congress), Messrs. T.Mariappa and A.G.Ramachandra Rao were specially asked to attend the Committee meetings so that they may acquaint themselves with the attitude of the Congress Party when similar Bills or situations come before the next session of the Council.

The Constructive Sub Committee which met under the Presidentship of Mr.K.T.Bashyam yesterday with its members Messrs. N.C.Thimma Reddy, Tagadur Ramachandra Rao and Chengalaraya Reddy have decided to authorise the members of the Committee, since the permission of the Working Committee has been taken, to collect Funds for its working throughout the State. The Sub Committee have decided to start about five Khadi

Khadi Sales Centres in the State. It appears the Kolar District Congress Committee had submitted certain scheme for constructive work in their district. The same was approved. For the present, they have decided to encourage the formation of Charaka Sangas in rural parts. All the members of the Working Committee and other leaders had also attended a constructive [illegible] Work Sub Committee and they are also giving various suggestions for the constructive work as suited to their own districts.

The Executive Committee of the Representative Assembly Congress Party which met at the Congress Office on the 24th and 25th instants, under the presidentship of Mr.K.Chengalaraya Reddy, have issued the following statement:-

" It was decided to support the Labour Bill with certain amendments to be proposed to the same. It was also decided to support the following Bills:- Bill to amend the Code of Civil Procedure, the Mysore Coffee Market Expansion Bill, Mysore European British Subjects Reinstatement Amendment Bill, Bill to amend Debt conciliation Act, the Mysore insolvency amendment Bill, Bill to amend the Mysore Factories Act, Bill to amend Workmen's Compensation Act, Mysore Petroleum Bill, the Probate Administration Bill, Mysore - Cotton Control Act the Mysore Prisoners' Bill, the Mysore Children Bill, Mysore Probation to offenders Bill.

Certain amendments were considered and decided to be moved in regard to the above Bills. The attitude to be taken as regards the other bills was deferred to be decided later on.

The resolutions coming up before the Assembly were considered and the attitude to be taken with regard to each resolution and amendments to be moved thereto was decided.

It was resolved to hold a meeting of the General Body on the 1st October at 8-30 a.m. at Mysore. As regards - applications of candidature for election to the House Committee it was decided that intending members may forward their applications to the Secretary of the Assembly directly and that the selection of the candidates on behalf of the Party should be decided at Mysore on the 1st of October. The Executive Committee will meet at Mysore on the 30th instant at 9 A.M."

Dohbts were expressed, as to whether the adjournment motion tabled by them would be admitted by the Dewan-president of the Assembly. In case, it was dis-allowed, one of the members, seems to have suggested "A walk out" from the

Assembly. This idea was not seriously considered but on the advise of some of the Working Committee members, the final course of action has been left to the discussion of the party which is due to meet at Mysore before the Assembly Sessions commences.

The Working Committee members are still continuaing their deleberations.

I have the honour to be,
Sir,
Your most obedient servant,

Superintendent of Police,
Bangalore City.

SPARE COPIES.....

I have the honour to state that it is reported that the Enquiry Officer, who held his sittings yesterday, has adjourned further hearing to the 8th proximo. It appears the parties filed the statements and their replies and on the 8th Enquiry Officer will frame issues to be decided by him.

The Working Committee of the Textile Labour Union met yesterday at the Labour Union premises at about 6 P.M. They have decided to give incfements of about Rs.3/- to their staff as a measure of Dearness allowances. A sum of Rs.12/- has been sanctioned as salary to Mr. K.B. Sreenivasan, Publicity Officer, Labour Union. On the 5th instant they have decided to take the labourers in procession in connection with the Celeberation of the Birth Day of Mr.M.K.Gandhi.

As regards their representation before the Enquiry Officer, it appears Mr.Bashyam

stated that they should ascertain from the Enquiry Officer whether they can appeal over his decisions. In case they are permitted to appeal, they need not engage a prominent lawyer like Mr.V.V.Srinivasa Iyengar at present but may do so in their appeal. Anyhow, he will be going to Madras to discuss with the leaders there, on Sunday the 28th instant.

The workers of the Amco Factory have called for a meeting at 12 noon today near their premises at Mysore Road. The proceedings will duly be reported.

Some of the dwellers at the huts situated in the Pit at Malleswaram are reported to have been given notice by the Municipality to quit the present locality at once. They had represented to Mr.Bashyam about their difficulties of finding suitable places for them to live in if they are evacuated. Mr.Bashyam along with W.H.Hanumanthappa, the Municipal President visited the said Huts on the 25th inst., and assured the people that the Municipality would find a suitable place for them and they need not be afraid &c.

K.G.F.

I have the honour to state that it is reported that one Govindaraj of Champion Mines and Chelvam of Nandidrug Mines visited Bangalore City and returned to K.G.F. yesterday along with the copies of the enclosed hand-bills for being distributed in the Mine Area and at the meeting of Mr.P.R.K.Sarma which is reported to be called for on the evening of the 28th instant.

The idea of printing and distributing such hand-bills is to show to the workers in the Mines that the Mysore Congress people are taking a great interest in their welfare as can be seen by the representations and questions by their party members and thus win over the Miners to the Congress cause.

These persons had also met Mr.K.T.Bashyam

and other leaders and discussed with them about throwing out the Associations under the influence of Mr.P.R.K.Sarma.

Mysore Congress.

Bangalore City,
Dated 27th September 1941.

The following statement has been issued by the Working Committee of the Mysore Congress:-

The Irwin Canal Sub Committee, appointed by the All Mysore Congress Committee to enquire into the various hardships to which the ryots of the Irwin Canal area are subjected and more especially the havoc caused by a virulent type of malaria prevailing in those parts and to submit a report suggesting remedies for the amelioration of the people of the area, have submitted their interim report. They have issued a lengthy questionaire touching the various problems in the area and have secured answers for the same by a number of ryots and other people. They have also visited a large number of ryots and other people. They have also visited a large number of villages in the area and have acquainted themselves in detail with the actual conditions obtaining there. The Sub-Committee have impressed on the working committee the immediate necessity to take steps in certain important directions to prevent further disasterous consequences for the people. Some of the harrowing details about the conditions obtaining there relate to:

a) Fall in the birth-rate and increase in the death-rate of both human population and cattle.

b) Emaciating and crippling the physical and the economic resources of the whole of the population in some of the entire villages.

c) Generally affecting the condition of domestic and agricultural cattle.

They further recommend that the Government should introduce immediately the following remedial measures, at least, in the direction of temporary relief:-

1. Creation of a two furlong 'dry belt' area round about all the villages served by the canal water and strictly preventing wet cultivation in that area.

2. Establishing not only temporary and travelling dispensaries in the area where a malignant type of malaria is prevailing but also arranging for treatment of a number of inpatients by providing a large number of beds in hospitals to be opened in the area.

3. To arrange for letting out water in the tanks in the badly affected parts and remove rank vegetation in the channels and tanks and filling in pith with a view to prevent the breeding of malaria larve.

4. Government should compel the Mysore Sugar Company to create immediate facilities to the ryots to harvest their Cane Crops, some of which are more than 24 months old. The Company should not compel the ryots to plat Sugar Cane on fresh plots or allow rattoon crops as a condition precedent for allowing to harvest the standing crop.

5. Suspending the execution of destraint warrants and other coercive processes by the Revenue authorities in the area especially collection of water-rate and contribution.

The Working Committee generally indorses the views of the Sub-committee and urges the Government to make immediate arrangements to grant relief in the directions stated above.
